at Politechnika Krakowska:  
workshops paving way

**The recurring  
question if ...**

... new  
technologies  
will replace  
teachers.

**The good teacher doesn't  
compete with new  
technologies; s/he harnesses  
them for the sake of his/her  
classroom.**

What does it mean  
„to harness new  
technologies“?
