PROJECT LEADER

Ewa Zarzycka-Piskorz

a teaching practitioner who uses a number of online learning applications to refresh and update the teaching tools as well as to vary the classroom techniques, models of teaching and methodological habits. She has carried out a number of workshops devoted to using online learning applications. Her professional interests focus on gamification in education. She has created an online ESP course for students of vocational secondary schools in Małopolska voivodeship within the European Union project called “Małopolska Chmura Edukacyjna” (Lesser Poland Voivodeship Educational Cloud). She designed and carried out the gamification workshop for the teachers and instructors of AGH University of Science and Technology in Kraków. She has also gamified a university course called “Academic English
