Innovative training of future sailors

Who?

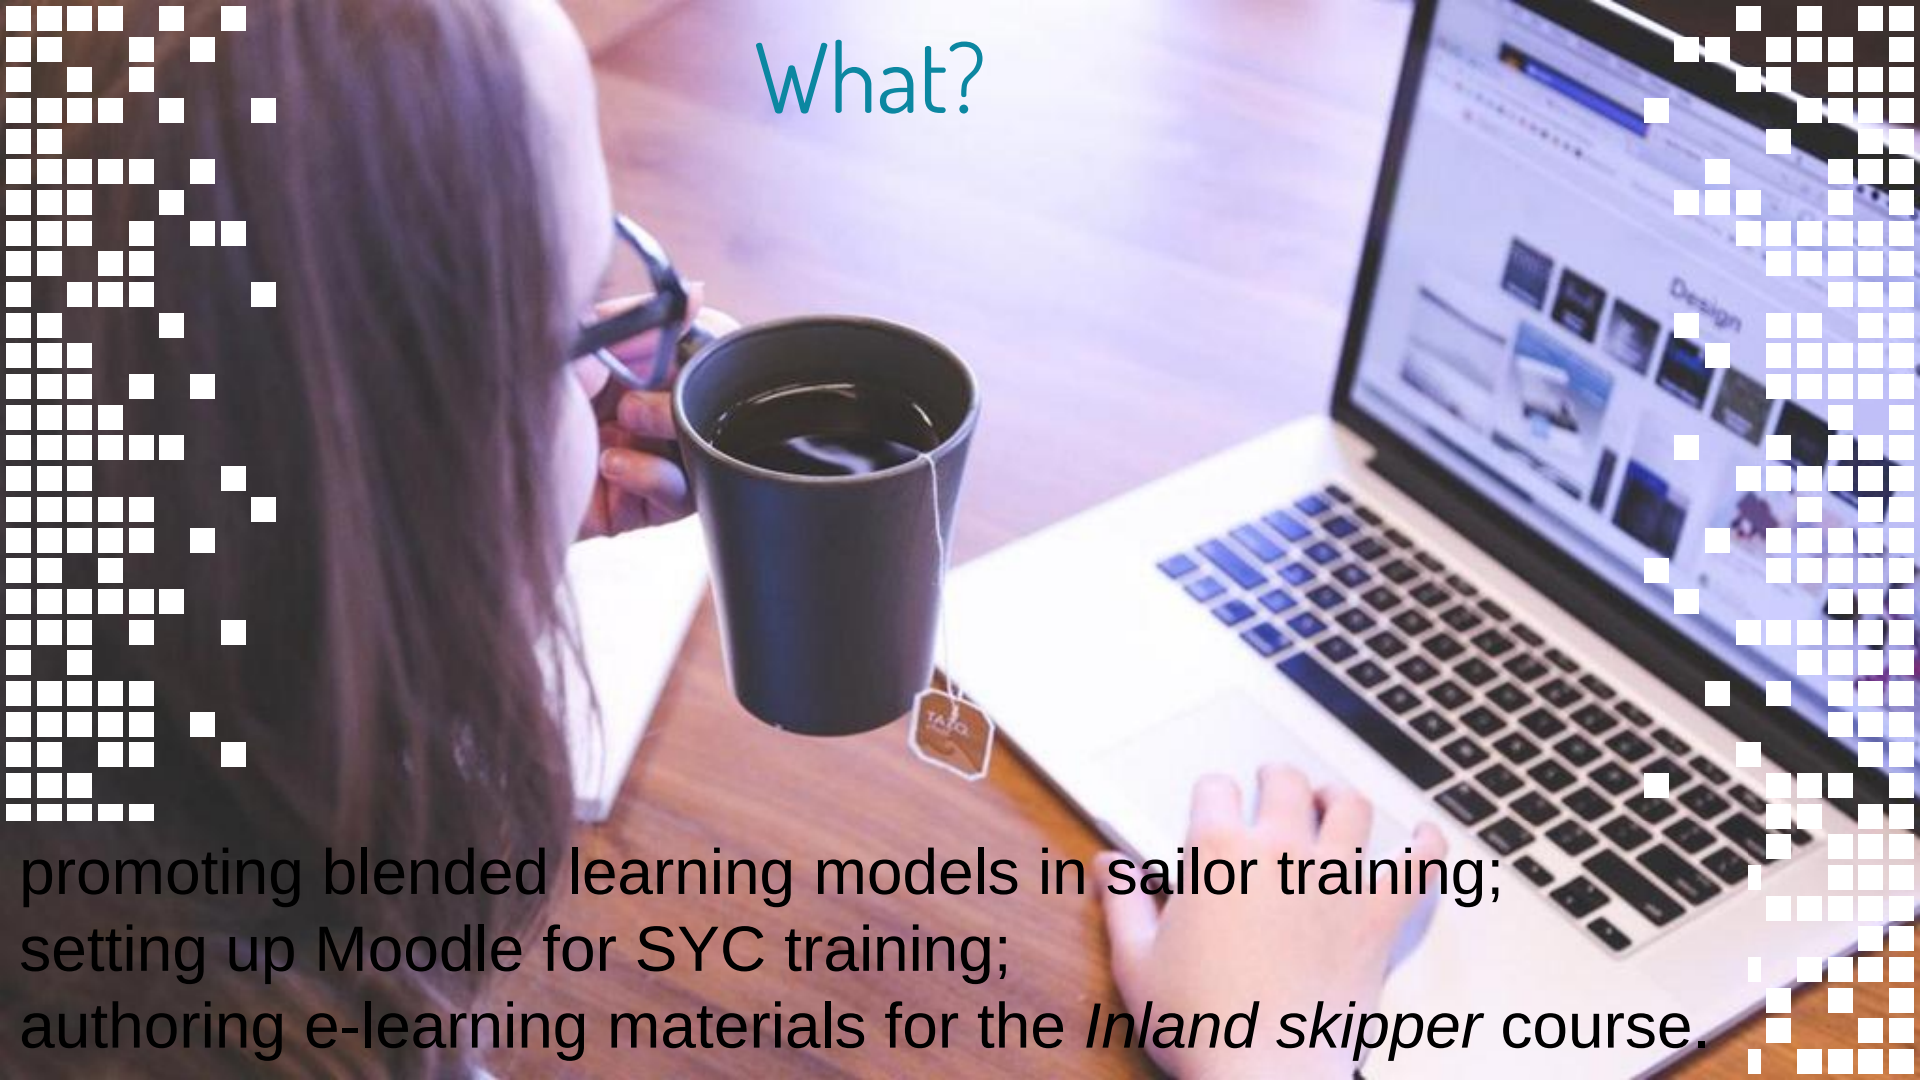
FUNDACJA ROZWOJU INNOWACJI EDUKACYJNYCH

ŚLĄSKI YACHT CLUB

what Innovative Education means:

- that new technologies can be used in education for many different purposes, including sailor training;
- that lectures in the theory of sailing can be digitally enhanced;
- that exam-focused quizzing is best done online.

What?



promoting blended learning models in sailor training;
setting up Moodle for SYC training;
authoring e-learning materials for the *Inland skipper* course.
